

Jackson Quilters' Scholarship Fund

In keeping with the guild's wish to further our knowledge about all types of quilting and to expand our exposure to various types of the quilting art form, the Board voted to designate \$500 in scholarship monies to be made available to members in good standing. This money can be applied for and used in various ways, such as classes, on-line classes, workshops, travel to participate in other opportunities, etc. Every request will be considered on a case-to-case basis. We welcome all applications for evaluation.

Our only requirement will be that the member agrees to report on the experience to the guild within a reasonable time afterwards. This is not a "repeat performance" of the class, but more of a lecture style evaluation of the class.
